Itinerary

Day 1: Sichuan Cuisine Museum Immersive Cooking Experience

This immersive half-day culinary journey offers two flexible start times: a morning session at 8:30 am or an afternoon session at 1:00 pm. Your private guide and chauffeur will greet you at your Chengdu hotel and provide a comfortable transfer to the **Sichuan Cuisine Museum**, the world's only museum dedicated to a local culinary culture.

Upon arrival, your sensory journey begins at the tourist center, where you can sample a variety of famous local Sichuan snacks. Your guide will then lead you through a curated exploration of the **Classic Collection Hall**, the **Raw Material & Tool Display Area**, and the **Kitchen God Ancestral Hall**, offering deep insights into the history and philosophy of Sichuanese flavors.

The highlight of the day is a hands-on masterclass led by a professional chef. You will be guided through the precise techniques of traditional Sichuan cooking, including specialized ingredient cutting, wok mastery, and the art of dish presentation for three quintessential local recipes. Finally, sit down to savor the authentic dishes you have created, accompanied by complimentary fresh fruit, juice, and traditional tea. At the conclusion of your experience, you will be escorted back to your hotel in Chengdu.

Expert Tips:

For the best experience, we recommend arriving with a healthy appetite, as the snack tasting and your own handmade creations will provide a full and flavorful meal. If you are a photography enthusiast, the Kitchen God Ancestral Hall offers a uniquely traditional backdrop for capturing the spirit of Chinese culinary heritage. We suggest wearing comfortable, closed-toe shoes suitable for a kitchen environment to ensure both safety and comfort during your hands-on cooking session. Since you are already in Chengdu, we strongly recommend that you spend a few more days visiting the Panda Base to see the pandas. View our [panda tour](#)?
