Itinerary

Day 1: Hong Kong Island Heritage & Skyline Discovery

After breakfast, begin your comprehensive private tour of Hong Kong Island, starting with a nostalgic journey across Victoria Harbour on the **Star Ferry**. As you make your way to the pier, you will pass several cultural landmarks, including the **Garden of Stars**, **1881 Heritage**, the **Hong Kong Space Museum**, the historic **Clock Tower**, and the **Culture Center**.

Next, engage in a curated walking tour along **Garden Road** (approximately 2–4 hours, depending on your pace), an area steeped in colonial history and modern architectural marvels. You will have the opportunity to view or visit significant sites such as:

- **Architectural Icons:** The HSBC Main Building and the Bank of China Building.
- **Heritage Sites:** St. John's Cathedral, Government House, the Helena May Building, and Rawlinson House.
- **Green Spaces:** Hong Kong Park and the Central Government Offices area.

In the afternoon, ascend to **Victoria Peak** to enjoy a breathtaking bird's-eye view of the city's skyline. Your journey continues with a visit to the traditional **Aberdeen Floating Village**, followed by a scenic drive past **Repulse Bay**. Conclude your exploration at the vibrant **Stanley Market** before being driven back to your hotel.

Accommodation: Hotel in Hong Kong.

Meals: Breakfast.

Expert Tips:

The Star Ferry crossing is one of the best value-for-money experiences in the world; try to grab a seat on the upper deck for unobstructed photos of the skyline. Since the Garden Road walking tour can be customized, we recommend focusing on St. John's Cathedral for its serene atmosphere amidst the skyscrapers. For Victoria Peak, if the queue for the Peak Tram is long, your private driver can take the winding mountain road, which offers equally stunning glimpses of the city's residential architecture.
